MOVING? Be sure to send us your old and new addresses well before the move. Third class main, such as this, is not forwardable, as are other publications. Any issues not delivered due to us not having your current address, becomes your loss.

RENEWALS: You must renew as soon as you receive the last issue of your present subscription. Missed issues as a result of your renewing late may not be sent to you. We hope you will renew, but we don't know that to be the case until you do so. Thus, if we haven't received your renewal when we go to press, we do not make a copy for you. All those extra copies just cost money to make and space to store - on the chance that they will get sold.

Autumn greetings to everyone!

Well, we had so much material this month that we had to condense our letter to half a page. As you can see by the cover last month and now this one, I am experimenting, trying to "come up with" a new cover design that I like. I think I like this one!

It's the season for seminars, and by the time you get this issue, I probably will have "done" one at CT, NY, and MN. Still on tap are ME (maybe), NY, PA, and PA. That will take care of this fall's list. They are all in a row, too, which makes me tired just thinking of it!

Please read the renewal info at the left, since some of you renew late, then wonder why you miss issues!

I had to lay aside the book, Fashion Fling that I was working on, for reasons beyond my control, but will get back to it soon. In the meantime, I have a book entitled Dresses for All Occasions that is fantastic! I will be showing all these nice dresses at the fall seminars. An ad for it, as well as new books by Lois Blystone and Sylvia Stewart, appears on page 7 of this issue. Get all the details there.

I thought I would have time to get all this typing done today plus knit a dress, but it is already 1:45 pm! Have to sing with Adelines tonight, so I guess the knitting will have to wait 'til tomorrow, when I cut the stencils for this issue.

Personally, I am going to try my darndest to give you up-to-date fashions. The slingshot vest is such an item. The little top by Kiwi, with all the cords at the armhole, is also a very trendy style. When I went "window" shopping recently, I saw so many interesting garments, that I can't wait to share them with you in the form of a garment to knit.

Am out of page (again), so will talk with you again next month. Pat

FALL FASHION FAVORITES

PATRICIA WETZEL

C.

A few weeks ago I had an opportunity to go "shopping" for autumn sweater styles. My sketches show you just a few of the luscious fashions that are available this season!

You will also notice an abundance of round/crew necklines.

A. The split cowl is being shown in many types of yarns, as well as a wide range of colors. I saw one in a bright red mohair. Another that caught my eye was in a natural grey wool in about a sport weight.

B. Intarsia of many patterns abounds this year! The one sketched above carried a designer label. The lower part was grey, the squares black, and the top part cream.

C. This one goes to prove that all-over fair isle is always a good choice. The one that I saw and appreciated was a creamy white background with Chinese red houndstooth checks. The black stripes were truly effective.

D. "Slingshot" vests are "the" thing this year. While some are closed on the sides, many, like this one, are open on the sides with two button closures on the sides at the ribbing. This one was attractive with its column of cable twists on the left side.

FRONT

Cast on 92,108,124,140 stitches for 1x1 ribbing, using T 0/0 for cast on.
RC000.
T 2/2 knit 26 rows ribbing.
Transfer all stitches to the main bed.
RC000.
T 5 knit even to row 148,154,160,166, making 3x3 cable twists every 10th row throughout the front on the 10th,11th,12th,13th,14th, and 15th stitches in from the left edge of the piece (at the shoulder, drop one stitch each side of the cable and latch them up). ****

Shape front neck: Scrap off 34,38,42,46 stitches at the center. Push all needles at the side opposite the carriage to hold position and set carriage for partial knitting. *RC000. All sizes knit to row 37, decreasing 1 stitch at the neck edge every 2nd row 10 times. 19,25,31,37 stitches remain for shoulder. Shape shoulder:

S: 4 sts 1x; 3 sts 5x
M: 5 sts 1x; 4 sts 5x
L: 6 sts 1x; 5 sts 5x
XL: 7 sts 1x; 6 sts 5x.

Work other side of front neck and shoulder shaping from * to *.

BACK

Work the same as front to ****.
RC000.
Knit even to row 38. Shape shoulders simultaneously, by using the formula given above for one shoulder, putting needles into hold position every row, but only on the side opposite the carriage. After knitting 1 row over all, scrap off each set of 19,25,31,37 shoulder stitches, then the 54,58,62,66 stitches remaining for back neck.

NECKBAND AND SIDE BANDS

Join one shoulder seam. Wrong side facing you, pick up 126,134,142,150 stitches around the neckline, getting all stitches from scrap plus 19 on each side of the neck front. T 7 knit 1 row main yarn and ravel cord. Drop ravel cord. T 5 knit 3 rows, T 4 knit 2 rows, T 3 knit 2 rows, T 4 knit 2 rows, and T 5 knit 4 rows. Hang a hem from the picked up stitches, which are marked by the ravel cord, and bind off loosely.
Side bands: Cast on 138,142,146,150 stitches with scrap and knit several rows. Knit 1 row ravel cord. Main yarn knit: 4 rs @ T5, 2 rs @ T4, 2 rs @ T 3, 2 rs @ T4, and 4 rs @ T5. Hang a hem from the first row of ravel cord. Wrong side of vest front facing you, pick up the same number of stitches along side from shoulder seam to bottom. At ribbed edge, lift off the 4,5,6,7,8,9,16,17,18,19,20, and 21st stitch from the edge of just the vest (for buttonholes) and bind off across all stitches. Make 3 more band pieces and attach as above, making buttonholes only on the other side of the vest front. Sew 3/4" to 1" diameter buttons in place under the holes.

BOOK REVIEW

Patricia Wetzel
R.D.#3, Box 253
Indiana, PA 15701

This month we want to share our comments about A TIME TO SAVE TIME, by Sande Baas and Marty Godlewski, both of Grand Rapids, Michigan.

The book is a hefty 70 pages, spiral bound for easy use, and contains several really nice fair isle designs. There are lots of hints to help you through the knitting of the items. What are those items? Well, going from front to back through the book, we first find a mitten in child sizes 4,6, and 8, plus adult. Then, there is a child's Scandinavian sweater in sizes 2 to 12. Next is a 12 minute stocking cap, followed by baby booties. Next is a simple raglan, again for children 2 to 12. The books contents end with "sock" dolls, Christmas stockings, and Christmas ornaments.

Excellent sketches, written instructions, knitting diagrams, and recommended colors are included. Very nice.

See the ad for this book elsewhere in this issue.

Shape front neck: Bind off the center 8 stitches, then divide work. Working one side, RC000. Decrease 1 stitch at the neck edge EOR 13x for all sizes, then continue to row 34,34,46,46. Scrap off shoulder stitches without any shaping. Work other side to correspond.

IMPORTANT NOTES! PLEASE READ IN THEIR ENTIRETY BEFORE PUNCHING AND/OR USING THE CARDS.

Punch all O's.

Cards A-1, A-2, A-3, and A-4 are all fashion lace. Thus, the only time you knit with yarn at at those places where the card row numbers have been indicated to the right side of the "cards" as shown on these two pages. At all other places, you must remove the yarn from the feeder and set the carriage so that it just transfers stitches.

All cards have been shown complete except CARD B, which, incidentally, is simple lace. We have just shown the bottom portion of this card. Please punch the entire 60 row card as indicated by our sample.

Card B is only used for the back of the sweater.

USING THE CARDS: Card A-1 is the first one to go into the machine. A-2 follows A-1; A-3 follows A-2, and A-4 follows A-3. Remember Card B follows card A-4, but only for the back.

SO NOW YOU ARE READY TO PUNCH THE CARDS, JOIN THEM TOGETHER, AND USE THEM IN THE CORRECT SEQUENCE FOR THE BABY SWEATER SET ON THE PRECEEDING PAGES OR USE THIS INTRICATE LACE FOR COLLARS, AFGHANS, OR WHATEVER YOUR HEART DESIRES.

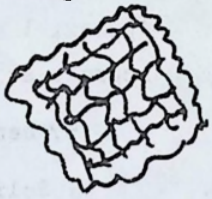
I had lots of carpet warp left over from when I used to weave rag rugs, and couldn't figure out how to use it 'til I came up with the following:



Machine: 150 Chunky

Material: carpet warp wound on cones and waxed

Tension: 1 on cam; 6 on mast

Directions:

Closed cast on 21 stitches left of Ø and 22 stitches to the right.
Knit across and back - carriage is on the right.
RC000.
Following tuck pattern in Chunky manual on top of page 20, knit 148 rows in pattern.
Knit 2 rows stockinette.
Latch tool bind off over posts or gates.

NOTE: EON push up tool speeds pulling of needles to D position.

Single crochet around dish cloth using crochet hook that comes with the machine.

For a little fancier finish, if you are going to use them for gifts, make 1 row of backward crochet and fasten yarn ends.

They are absorbent and the pattern makes them rough enough to do a good job on dishes and pans.

SK560 ELECTRONIC TECHNIQUES FOR BEGINNERS

Pat Wetzel
R.D.#3, Box 253
Indiana, PA 15701

One of our knitting friends wrote to Doris Rago, after wanting to make her lace blouse in issue #51, page 15. She has a 560 and wanted to know how to put that lace card pattern (#406) on her design sheet for her machine.

ALWAYS - when transferring a punched card design for use with the electronic, you need only mark one repeat of the design! It is that simple!

Card#406 looks like this (0's are punched, - are not):

Only the design area is shown.

ENCIRCLED AREA IS ONE REPEAT- MARK ON DESIGN SHEET

This is an easy one! If you look carefully, you will see that the design repeats itself every 8 stitches across. The pattern is a total of 36 rows in length. The line down the center simply marks the center of this 24 stitch card. To the right of the "card" you will find the electronic sheet pattern of this design.
